- B. Old Business
  - 1. COVID Procedures – Vigorous and extensive discussion on the usca guidelines, covid committee recommendations and current state/local guidelines took place. Moved we will follow the usca, state and local guidelines, specifically, masks *should* be worn at all times in the club and on the ice except while eating or drinking, motion seconded and passed. Moved that we adopt the covid committee recommendations as stated from their September meeting. Steve will clean up and email out and vote will occur after the meeting and final review of the board members.
  - 2. Stone Disposition – 2 stones will be set aside for the next 2 x-mas raffles. Up to 10 stones will be in a year long raffle, Starts with one stone and \$10 tickets for anyone who wants to buy. For every \$350 in tickets sold, another stone is added to the raffle. After completion, if any stones remain, they will be in a sealed bid auction for club members only.
- C. New Business
  - 1. USCA U-21 Tournament – Approached by USCA to host U21 tournament. Move we accept USCA’s request to host U-21 tournament, seconded, passed. Date to be approved at a later time, will try to find time around the holidays where there would be minimal impact to usual club activities
- D. Adjourn – Moved to adjourn, seconded and passed. Meeting adjourned at 6:07 pm.

Respectfully submitted,  
Jeffrey Nelson  
KMCC Secretary

## **Treasurer's Report:**

### Balance Sheet Comments:

- Balance Sheet is strong
- Decreased Asset Base in 2021 is the result of Expenses uncovered by Limited Revenues in 2020 COVID season

### August 2021 Income Statement Comments:

- No Dues Collection Activity to speak of yet
- Seeing some payment for web programming activity and 2021 pins
- Electricity Charges were abnormally high, investigating this presently, will provide additional detail as available

### QuickBooks Transition:

- Steve Kerr is working with Intuit (software provider of QuickBooks) today to have our Cloud solution activated and our legacy data imported
- Following Cloud solution activation we can/will take the steps to address depreciation in 2020 fiscal year financials and present those to Anthony Cefalu for tax preparation

### PO Box Update:

- List of authorized access has been updated with Hartland Post Office: myself, Steve Kerr, and Jeff Nelson
- Key holders: myself and Steve Kerr

### Dues Collection:

- Working with Julie and web team, targeting being ready/able to solicit membership and collect dues via check OR credit card by September 15<sup>th</sup>

## **Ice Committee Report 9/7/2021**

Larry has been out of the country so Craig Sharkus agreed to do some tasks to prep for the season. Dehumidifiers were started, of which, new Merv 13 filters were installed to help filter out any present virus's etc.

Last week Friday 9/3 a service technician came into club to tune up chillers. Technician started up chillers to begin cooling cement floor in icehouse.

Larry arrived at 9:45am today 9/7 to inspect and start flooding preparation. The icehouse floor is perfectly chilled and ready to begin flooding.

Hacks will be frozen in the afternoon of 9/7.

No foreseeable issues thus far, hoping for a smooth flood over this next week and ready by the 15<sup>th</sup> most likely.

### **Kettle Report September 2021**

#### Opening Kitchen

Tuesday, September 14th is the date for opening the kitchen.

#### Fall Dinner

The fall dinner will be held at Revere's in Delafield at 5:30 Tuesday, September 28th at their outside patio. Lyndsay Johnson is organizing the event. A flyer will be sent out with dinner choices. Nikki put a save the date on Facebook.

#### WISCA

Bob Dixon gave us the dates for the four games to be held at KMCC and they were given to Julie and put on the calendar. Millie Buege is in charge of this.

#### Thursday Morning League

Heather Ragen will be running this league and registration for the Granite event will end on October 15th and league will start on October 21st with teams forming that morning.

#### Tuesday Night League

Jane Lee and Carolyn Frick will be running this league with registration ending October 15th and league will start October 26th with teams forming that evening.

#### Sunshine

Randi Feil sent out seven cards and one flower bouquet to members from KMCC during the summer.

## Financials

No money was spent this summer, so we currently have \$7018 in our account.

A copy of the organizational chart for the Kettles is attached.

## **Membership Committee Report Sept 2021**

4 fall learn to curls are scheduled for 9/21 6-9 pm, 9/23 6-9 pm, 9/26 10-1 pm and 9/29 6-9 pm. Currently tickets are capped at 24 participants to help with social distancing, planning to use sheets 1, 3, and 5. Planning to do a burger/brat post learning broomstacking, reached out to Bob Fleming to see if Brewhaus/curling school would cover those expenses. A couple helpers are signed up currently and no one has registered as a participant yet. Email just sent out to Monday and Tuesday night league chairs to see about a meet & greet/practice session for new curlers.

## **Instruction/Club promotions Report September 2021**

All events and bonspiels have been posted to our business FB page-still navigating and learning to make it more productive. Created a private/members only FB page-once registration starts it can be adjusted who has access to this page. Need to create Instagram page/profile for the club.

High school program to be discussed at the board meeting. 7 individuals have responded that they'd be willing to help with classes in a limited role but not take over for Pat/Jim. There has been concern about having enough volunteers to run these classes during the week as the retired population are looking to travel and have other commitments. Also concern about rising covid cases in the area and in kids-Jim Ellis has been contacted about speaking at the board meeting.

Herb has agreed to be the contact for Corporate Event-making sure that all of the contact and event information is correct and will be promoting more on social media.

Frauke Mattner-Laus, Jason Lee and Laura Dwyer have all offered to help with Juniors program but still looking for someone to take the lead. Meeting with Frauke on Thursday, 9/9 to try to talk it out.

Have emailed out Safe Sport information to those on my list-and asked them to forward certification to Julie.

Learn to curls to be promoted and new curler instruction to be discussed with and scheduled with Mitch prior to leagues beginning. I will be putting together a new curler packet/folder with club history, basic rules (on & off the ice) and volunteer opportunities/club events.

Super League Saturday  
Mitch Wilson and Craig Sharkus

WISCA Games  
Bob Dixon

We are still in need of someone to organize Saturday Evening mixed League. Many calls were made without success and most stated they would not be curling Saturday evenings. In my phone call with Joe Milazzo and Carey Alber Milazzo they indicated that Carey would not be joining the curling club and Joe is still debating if he is curling this year as they just added a newborn to their family (3 small children total). In our email we will be asking for a volunteer.
